and mental handicaps.

**Equestrian Order  
of the  
Holy Sepulchre of Jerusalem  
Western Lieutenancy  
Our Lady Queen of  
Palestine Project  
Saint Vincent's Ain Karem  
Special Needs Home**

In 2012, Deacon Ryan was in his 4th year of diaconate formation, and was given a two-part assignment to both engage his parish in his formation process, and to create a project with a social justice theme that would be at service to others in need. At this time, Deacon Ryan and his wife Dame Wynsdey had also recently been invested into the EOHSJ. So they joined two of their loves: Diaconal ministry and EOHSJ, and right then the OLQP Mission was born.

What started as a one-time homework assignment done on the Feast day of Our Lady Queen of Palestine has evolved into a year-round Mission. Throughout the course of the year, Deacon Ryan and Dame Wynsdey travel to parishes, both all over California, but have now branched out to other States as well. The weekends consist of Deacon Ryan serving at all the parish Masses and preaching and speaking about the works of the OLQP Mission. Dame Wynsdey, often times assisted by other wonderful Dames of the Order, are at an information table with information tri-folds, Olive Wood items sent to us from Bethlehem, and handmade Rosaries, made and donated to the OLQP Mission by Dame Joanne and Sir Larry Lazar. We also have an annual fun Bingo night created by Deacon Joe and Dame Annie Flores, and of course, the now famous Golf Tournament created by Sir Jim and Dame Judy Salz, which both benefit the OLQP Mission. It's important to note that this is not made up to be a "money raising" event. As we choose a new beneficiary in the Holy Land each year, our goal is to raise awareness of what our sisters and brothers in the Holy Land are experiencing, as well as gather many prayers for them. As noted, we don't specifically ask for money, but we have found that if people are engaged and inspired by the works of the Mission, they're generosity in making contributions flows...

## Examples of Previous Years' Recipients:

- 2012 – 2013: Provided back packs for students at North & South Zarqa schools.
- 2013 – 2014: Helped pave a parking lot at St. Vincent Ain Karem Special Needs Home.
